Owner's Comments: With royalty on every line of his pedigree, Diamondhead promised to be special and he's fulfilling all expectations and more! He was USDF Horse of the Year in 2008 and now again in 2016, winning Championships and high score awards through PSG with scores into the 80s. Diamondhead has three incredible gaits with superb power and balance, a perfect product of an amazing pedigree. Sire Diamond Hit is a living legend that has contributed numerous licensed sons, Bundeschampionat and World Championship winners, as well as many upper level competition horses. Dam Heidefee now has two approved sons, while damsire Hohenstein brings type, expression, and high ridability. Diamondhead's charming character and willingness to work make him a favorite in the barn and he attracts plenty of attention in the competition ring. Diamondhead is now schooling all the Grand Prix movements and has shown aptitude over fences. His first foal, out of a Winterprinz mare, won the Current Year through Two-Year-Old Championships with scores into the 80s and his half-Arabian son just won USDF Horse of the year. Offspring are winning in dressage and hunter rings. Diamondhead is also approved with GOV.
